

Application form for Defenders in Development Policy Grants

Please submit this application to DiD_policygrants@proton.me or via Signal to +36 70 310 2705

English

Contact Details :	First Name	Last Name	Organisation or community	Country	Contact (phone and/or email)	Preferred contact method (Email, WhatsApp, Signal, Telegram, etc.)

Please indicate which of the following your proposal falls under:

- Supply chain research: Support for salary for a staff person or external consultants to identify linkages between cases of reprisals and projects funded by development banks
- Advocacy: Support for a staff person to raise cases of reprisals with the development banks
- Convenings: funds for meeting and logistical costs associated with facilitating a meeting, conference or consultation on a topic related to the development banks and reprisals and/or the campaign's objectives
- research and documentation: Conducting research which supports the goals of the campaign such as into what failures by the development banks have led to a specific reprisal, or into trends in a region related to reprisals linked to development projects
- Other (please explain):

What would you like to achieve with the grant? What are your objectives? (max. 1000 characters)

What will you do to achieve your objectives? What activities do you have in mind? Feel free to highlight any learning (max. 1500 characters)

What will you be spending your funds on?
Please share main budget lines (up to 5 budget categories for a max 5000 USD in total), how much you will be spending on each in USD
